ESW welcomes Bonavista Energy to our family

<Edmonton> E.S. Williams is proud to welcome Bonavista Energy Trust to the family. E.S. Williams provides roaming I.T. Field Support, print support services and I.T. project support to augment the existing I.T. services within Bonavista. We are proud to support the I.T. Field requirements for Bonavista in the Leduc, AB area and Fort St. John, BC area in the near future.

E.S. Williams and Associates Inc. (ESW) is a privately held corporation in Alberta with offices in Edmonton, Grande Prairie, and Calgary providing I.T. Solutions. For more information please see www.eswilliams.com

Bonavista Energy Trust is a Calgary-based oil and gas royalty trust created through the reorganization of Bonavista Petroleum Ltd. in July 2003. Bonavista Energy Trust is one of North America's largest energy trusts, with a market capitalization of approximately \$2.7 billion CDN as at September 1, 2009, and trades on the Toronto Stock Exchange under the symbol of BNP.UN. Our bases of operations are geographically focused within Alberta, Saskatchewan and North Eastern British Columbia, and possess a high level of company operated properties allowing for timely and low cost production additions. For more information, see www.bonavistaenergy.com
